Life song AKA Red / Banana 1

Sung by Bryan Bevege

Verse 1:

Thought I had to get where I wanted
Didn't care the pain they went through
Abused whoever as I climbed up my ladder
Greed so addictive, the more I would do

Verse 2:

Ignorance and arrogance towards my Maker
Hurt by hypocrites, not the real deal
But I met a man who loved me like Jesus
Now I can live, I can cry, I can feel

Chorus 1x2:

They told me my child won't make it through
I cried out to God, the only way I knew
Found me a son of God, to pray it through
The blessing of hope, a miracle true

Verse 3:

Reading God's Word changed my thinking
Like two black eyes, a split lip
No longer shackled with living those lies
Had to get humble, had to jump ship

Chorus 2x2:

Trust in the Lord with all of your heart
Lean not on your own understanding
These are the words that healed my broken heart
Kept me yet again from crash landing

Bridge:

Hate in my heart was gently undone
Grieving dishonour I showed to my kin
Sweetness and joy, reconciliation
Released from evil and misconception

Chorus 1:

Chorus 2x2:

Outro x3:

These are the words that healed my broken heart
