And take a little nap

I'm all out of puff
C **G**
A long way from home

I'm very hard to rouse

When I wake up later

There's cows, cows, cows!
Mooooooooooooooooooooo...

I've got Cows all around (1 2 3)

Well I sit up and wonder

What will happen next

The cows all run away

I think it's for the best

I hear those cows calling out

I know without a doubt
Mooooooooooooooooooooo...
