

# COWS

© Nicky Moran 2008 NZ KIDS SONGS

**V1** It's summer and it's hot, the day is long  
I'm out on the farm, singing my song  
After a little snack, there's just one thing I lack  
Lying down I tilt my cap and take a little nap

**V2** Oh yeah, I'm sleeping in the paddock all alone  
I'm all out of puff, a long way from home  
The grass is 'Oh so soft!' I'm very hard to rouse  
When I wake up later, there's cows, cows, cows!  
Moooooooooooo!

**Ch** *I've got Cows all around (1,2,3)  
Breathing on my clothes (huff, huff, huff)  
They're sniffing my face (sniff, sniff)  
And licking my toes (lick, lick)*

*I've got Cows all around (1,2,3)  
Cows, big and strong  
I hope they're not bulls  
I hope I'm not wrong!*

**V3** Well I sit up and wonder, what will happen next?  
The cows all run away and I think its for the best  
I'm walking slowly home, I hear those cows calling out  
Tomorrow I'll come back again I know without a doubt  
Moooooooooooo!

**Ch** *I've got Cows all around (1,2,3)  
Breathing on my clothes (huff, huff, huff)  
They're sniffing my face (sniff, sniff)  
And licking my toes (lick, lick)*

*I've got Cows all around (1,2,3)  
Cows, big and strong  
I hope they're not bulls (Yeehaa!)  
I hope I'm not wrong!*
