

Jonah's Song © Nicky Moran 2009 NZ KIDS SONGS

Ch1 *Throw me overboard captain
I'm the reason for the storm
Been running from the Lord my God
Since the day I was born*

*You told me to go to Nineveh
My heart was fully torn
So throw me overboard captain
I'm the reason for the storm*

V1 The Lord wanted to show mercy
To a city in the dark
He sent me to proclaim his word
I sadly missed the mark

V2 Hiding away on a ship at sea
Where the storm raged all around
A mighty fish caught me, praying in the deep
And spat me out on the ground

Br I will go, I will go
Even though I said no
I'll say your words
I'll say them all, Lord
And yes, I will go.....

Ch *Throw me overboard captain...*

V3 The people turned away from sin
Humbled themselves and prayed
Hoping God would forgive their land
With the changes they had made

V4 You heard the cries of Nineveh
But Lord, I don't understand
They turned away from wickedness
So You stopped Your judgement plan

Br I will go, I will go....

Ch *Throw me overboard captain...*
