

# Teeth Time © Nicky Moran 2008 NZ KIDS SONGS

**V1** Toothpaste, toothbrush  
Water to rinse out  
I want to clean my teeth  
Let me hear you shout (Hey!)

**Ch** *Teeth time clean time  
Got to last a life-time  
Brushing up and down  
Brushing round and round  
(and round and round...)*

**V2** Tooth paste, toothbrush  
Water to rinse out  
Front and back, reach around  
Brushing in and out (Hey!)

**Ch** *Teeth time clean time  
Got to last a life-time  
Brushing up and down  
Brushing round and round  
(and round and round...)*

**Br** Try to stop the cavities  
Not so many sweeties  
My teeth are smiling with me  
Brush twice a day, stay healthy!!

**Ch** *Teeth time clean time  
Got to last a life-time  
Brushing up and down  
Brushing round and round  
(and round and round...)*
